**BUREAU CIRCULAR NO. 761**

To All Members of the Bureau:

Re: **MIGRATION OF IBBSNET DATA SEARCH FUNCTIONS TO DCRB WEB SITE**

The Bureau has moved the data search functions (Rates and Classification Information, Experience Rating Modification/Merit Rating Adjustment Information and Underwriting Guide) previously offered on IBBSnet to its web site, [www.dcrb.com](http://www.dcrb.com). This new service is called the "Rating and Underwriting Reference."

The Bureau's participation in the IBBSnet system, as respects data search functions only, will continue through June 30, 2002. The file transfer function will continue to be available through IBBSnet until further notice.

All users will need to register to use the data search functions provided on the web. There is no cost to register for or use this service - only an Internet connection and browser is required. On-line registration is provided on the Bureau's web site. The data search functions work in much the same way as they have previously on IBBSnet.

Questions regarding functionality of the Rating and Underwriting Reference should be directed to William Taggart, Vice President of Data Processing Operations, at Extension 224 or [wtaggart@dcrb.com](mailto:wtaggart@dcrb.com). Questions concerning content of the Rating and Underwriting Reference should be directed to Betty Ann Campbell, Director of Rating Rules and Policy Reporting, at Extension 218 or [bcampbell@dcrb.com](mailto:bcampbell@dcrb.com).
